

A. H. Retzlaff's elevator is now complete and open for business and he wishes the farmers to come in and give him a call and look the plant over. It is equipped with the very latest machinery and can handle the grain as fast as it comes in. Retzlaff is here to stay as an independent grain man and he is backed by one of the strongest commission firms in the northwest. He is prepared to give you the best of service. He will clean your grain at two cents a bushel and give you back your screenings. Every bushel you haul in will be paid for or stored just as you wish to do or see fit. Conrad ~~W~~asmusson, who had been with Ellingsen four years as helper, will be with Mr. Retzlaff as helper. He is an expert man around a cleaner and elevator, and he will always be ready to unload your grain and let you out. Now haul your grain to them and get the best of results.
