

The school board held a meeting Saturday night and disposed of several items of business chief among which was the selection of the two remaining teachers for the ensuing year. As the faculty now stands it is Miss Anna B. Larson of Lynd Minnesota, principal, Mrs. O. B. Hoff, grammar; Miss Calna Hoffard of McIntosh Minnesota, intermediate; Miss Iva L. S. Mayer, primary. Miss Larson has had a number of years experience as high school principal in this state, and comes well recommended. Miss Hoffard is a cousin of Miss Mayer's and also has excellent recommendations as a teacher. As for the other two their good work in the local school is too well known to need any introduction. In addition to her regular work, Miss Hoffard will have charge of the music in school. The janitor for next year will be Harry J. Emerson. Bus drivers are as follows: Northwest, M. A. Sischo; northeast, Max Starr; southwest, Alfred Olson; south Torlief Kvaalset; southeast, J. S. Byington. School will open September 12.
