

Mr. and Mrs. Loren Syverson departed Monday for Evansville, Wisconsin their future home. Their son-in-law and daughter, Mr. and Mrs. Clark Lewis, live there, and they are moving to that place to be near them. They were pioneer settlers in this state, and endured all of the usual hardships of the people in the early days, but have been rewarded well for their efforts, and now have plenty with which to take life easy the rest of their days. They have many friends in their home community who will always remember them with great respect.
