WILL JOOS MARRIED

Cards have been received announcing the marriage last Thursday of Miss Lilly M. Hohman to William G. Joos, at Fountain City Wisconsin. This event, which from sundry indications has not been wholly unexpected by Mr. Joos' Wimbledon friends, removes from the state of single blessedness, and places where he properly belongs, one of our most popular and successful young businessmen. For this display of sound judgment, as well as for his excellent good fortune, the News in common with other friends extends to Mr. Joos its warmest congratulations. The happy bride, heretofore a stranger, is now one of us, and will be cordially welcomed to Wimbledon's social circle.
