

COURTENAY ITEMS.

John Burg has been buisy this week refitting the office of his livery barn.

The separater which Bob Walker had been expecting for several days came Wednesday, and Bob started to thresh Thursday.

The schools of Miss Bronson and Miss Gorell closed Tuesday, and a number of Courtenay people attended the entertainment given by the pupils of the two schools, which was a credit to both scholars and teachers.

With the closing of the schools in the neighborhood, Courtenay loses several very agreeable young ladies, who will be missed by their many friends. Miss Louise Brastrip has returned to her home at Jamestown, Miss Anna Gordon has gone to Spiritwood and Miss Carrie Bronson will go to Jamestown Sunday or Monday.
