

### Called Home.

Saturday evening, Aug. 20, occurred the death of Mrs. Thos. Michaelson, at her home about 10 miles north of Wimbledon. She had been ailing for some time past, but it was reported a few days prior to her death that she was improving, and when the news of her death was learned it came as a great shock. The deceased was an old pioneer in this community and was known as a kind, loving wife and mother. The funeral services were held Monday at 1 o'clock and the remains laid to rest in the Lutheran cemetery in the neighborhood where the deceased had made her home for several years.

The deepest sympathy of a host of friends goes out to the heart-stricken family in their sad affliction.
