

DEATH OF MRS. WM. ROOT.

Thursday evening Sept. 15, 1904 at five o'clock occurred the death of Mrs. Wm. Root at Leal of quick consumption. Since the death of her husband which occurred Oct. 27 of last year, she has been deeply grieved and have never enjoyed good health since that time. Her death was not a surprise to members of the household as local physicians had recently been consulted and they held out no hope for her recovery.

The deceased was well known here and one for whom everyone had a kind word. The taking away of these two young lives within the past year is indeed a hard blow to the members of either family and leaves a bright baby boy of 8 months, an orphan.

Funeral services will be held Sunday afternoon at 1 o'clock and the remains will be laid to rest in the Leal cemetery.

The sincerest sympathy of the citizens of Wimbledon, Leal and vicinity is extended to the bereaved ones.
