

## DOVER

(Omitted last week.)

Mrs. Noah Jarvis spent last week with her daughter, Mrs. Eugene Merdick, and in visiting a number of her Dover friends.

Grandma Taylor suffers from nervousness and at times has been seriously ill, of late.

Mrs. D. B. Berlin has been confined to the house with sore throat—a disease which has recently afflicted a number of people in the vicinity of Dover.

Miss Maud Berlin is visiting Mrs. George Darkenwold, this week.

March 20.
