

LEAL LOCALS.

Mrs. H. E. Hilborn and daughter Gertrude and Mrs. O'Connor left on Monday evening for their former home in Canada where they will spend the summer visiting friends and relatives.

Messrs. A. James and R. Lannon went to Fargo the first of the week.

Several persons from Leal and vicinity attended the commencement exercises of the Valley City Normal. Prof. P. A. Pickett is numbered among the graduates.

Walter Nelson has his new home nicely furnished and will soon be comfortably located therein.

A DAZEY CORRESPONDENT.

We did not notice any star plays made by Irl Pickett in the Dazey-Rogers game, but we noticed a few star plays in the Dazey-Leal game, being struck out three times by a 12-year old school boy. A fading star would be a more appropriate name than a vanishing star.
