

Fatal Accident Near Leal.

Word was received here Saturday of last week that a farm laborer (whose name we did not learn) in the employ of Chas. Talstead near Leal, and who was working for Mr. Anderson, a neighbor, was killed almost instantly on that day by a wagon wheel passing over his head. He was driving a team hitched to a wagon loaded with bundles, the team took fright and started to run and in attempting to get hold of the lines the unfortunate man fell to the ground and was killed in the manner above stated. The remains were taken to Dazey and shipped to Duluth which was said to have been his home.
