

## School Notes.

(For week ending Nov. 10.)

This week has brought us over a dozen new students, mostly from neighboring districts. We are glad to welcome these and promise them our best efforts for a successful school year.

The weekly debates in the high school rhetoric class are proving very interesting as well as beneficial.

Parents should make an effort to have the children attend school five days out of every week, as one day lost a week counts more than one-fifth in their school work.

Following are the pupils who have been neither absent nor tardy during the past week: Oscar Reuter, Oswald Dick, Hilda Finner, Jessie More, Glen Peterson, Regina Erny, Erma Parks, George Hoenstein, Lily Edland, Carrie Couey, Henriette Wilke, Gordon More, Ida Edland, Floyd Hunt, David Turk, May Feckler, Ernest Finner, James Walks, Myrtle Turter, Augusta Turter, John More, Elwood Kribbs, Helen Peterson, Theo.
