

## Father Died

John Laing received a telegram Wednesday morning announcing the sudden death of his father, Joseph Laing, at his home in Chicago, death occurring at 5 o'clock that morning.

Mr. Laing was 84 years of age at the time of his death, and had not been sick previous to his death, old age being the cause of his sudden demise. He was one of the old settlers of Chicago, going there when there was practically no town, making that his home. He has visited here and will be remembered by many of the old timers.

Mr. Laing left Wednesday evening for Chicago to attend the funeral, which will be held Friday.
