

Passed Away

Monday morning at 3 o'clock occurred the death of Lena, the 15 year old daughter of Mr. and Mrs. Peter Lavenkofski, who reside southwest of Courtenay. She had been ailing for about a week but nothing was thought serious until a few days before her death when a physician was called, who at once announced it typhoid fever. She was bedfast but four days when death seized her.

Miss Lena was well known, she having been born and raised in that neighborhood, and was well liked by all, being of a cheerful disposition. She will be greatly missed by her many friends.

The funeral was held from the St. Mary's church, near her home, at ten o'clock Tuesday morning, being conducted by Father McGaugh of Wimbledon and Father Seiler of Valley City. She was laid to rest in the cemetery adjoining the church.

She left besides a mother and father, two sisters and six brothers to mourn her demise, besides numerous friends.

The family have the sympathy of all.
