

Instantly Killed by Lightning

MEETS SUDDEN DEATH WHILE AT
WORK IN THE FIELD SAT-
URDAY AFTERNOON

While at work in the field last Friday afternoon, Wm. Long, who was employed by Wm. Walker, residing about seven miles north of here, met instant death by being struck by lightning.

Mr. Long was in the field at work at the time, and was quite a distance from the house when the lightning struck him, and as near as can be learned, he was killed about four o'clock in the afternoon, and his body was not found until some time after being killed.

The team which he was working at the time, were uninjured, and ran quite a distance.

Mr. Long's body was taken to Kensal and prepared for burial, the funeral being held from that place Sunday afternoon in charge of the Odd's Fellows, of which order he was a member.
