

Fred Burleson and family, who resided southwest of here, have moved to Valley City, where, it is reported, Mr. Burleson will enter into the bus line business, having made arrangements with the Rudolph Hotel to care for their patrons to and from the stations. While the community mourn the loss of Mr. Burleson and family, all wish him success in his new business. S. N. Weinkauff, son-in-law of Mr. Burleson, has rented the farm for the coming year.
