

D. S. Diesem has accepted a proposition thrown open to him a few weeks ago. He becomes half owner and manager in active charge of the big R. G. DePuy farm twenty miles north of Jamestown and five miles east of Pingree. The large farm comprises 1930 acres. Mr. Diesem will ship his own stock and various household goods thither as soon as possible. His son, Arthur, will accept a position with him on the big farm, and his daughters, Norma and Hazel, and Mrs. Chas. Trimmer who arrived at LaMoure Wednesday, will make their home with him. Mr. Diesem will have active charge and direction of the big bunch of horses now on the DePuy farm as well as his own which he will take with him.—LaMoure Chronicle.
