
GONE TO OLD HOME—

Henry Larson, one of the old time farmers here, left on Saturday evening for New York, where on Thursday, he sails on the boat, Oscar 2nd., for his old home in Norway. This is Mr. Larsons first trip back since he came to this country, about twenty-four years ago, and he has made many plans for his enjoyment while over there. He has two sisters and a brother in Norway, whom he expects to spend most of his time with. He intends to be absent from this country until July and possibly till August.
