

## *A Narrow Escape*

Mr. and Mrs. Tom Suchla and baby had a narrow escape from being seriously injured in a runaway accident Sunday. They were on their way to attend services at the church south of town and were driving along the road when their horses were frightened by a man on horseback passing them. The team shied to one side and started to run, overturning the buggy and throwing the occupants to the ground, none of whom were hurt except Mrs. Suchla who fell on her head and was thought to be seriously injured. Dr. Sansing was called to lend aid and upon making an examination found she was not badly hurt but suffered a severe shaking up that will keep her from doing much work for some time.
