

Mrs. Mikal Mogaard, wife of County Commissioner Mogaard, died at a hospital in Fargo last Saturday evening, May 19th, at 7:48 o'clock. Mrs. Mogaard was very seriously ill early this spring, but had improved so much that she was believed to be out of danger. However, a serious relapse occurred the early part of last week, and she was rushed to the hospital, but nothing further could be done for her and death came to release her from all illness. The funeral is being held today. Obituary will be published in next week's issue.
