

Dazey and Vicinity Items

To Dazey Commercial Subscribers:

The Hannaford Enterprise made arrangements with Editor Ratcliff to send The Enterprise to the paid-up subscribers of the Dazey Commercial. We are therefore sending this week's Enterprise to all the Dazey and Rogers subscribers. We hope that some of you will like our paper and will continue to take it. We will endeavor to print all the news of your community that we can obtain. Mr. Archie Olson, of Dazey, will attend to gathering the news, advertising, subscriptions and job work for us at Dazey, and you should see him for anything you may need in those lines. We do not wish to try to force The Enterprise upon you. All who are delinquent will be cut off the list after this issue.
