George Medley, of Walum, had a very close shave from an accident, coming home from John Micklethun, about two weeks ago. George was driving along the road with the horse and buggy, and along comes Emil Kittleson rambling along with his Ford with no light on and ran right into Mr. Medley's buggy, with the result that Mr. Medley was thrown out and dragged about 20 rods, finally the team struck a telephone pole, and the front part of the buggy was all smashed up.

Mrs. Courts had a very successful program at the Stromme School House. They had a Christmas Tree and they served ice cream and cake. The program was as successful as ever expected. All the children did their parts splendidly. At the last we had a splendid treat of cake and ice cream to the utmost satisfaction of every one present. Mrs. Courts is one of the best teachers in Green county in every respect.
