

Only one month from now the schools will re-open; the date fixed for that event being Monday, September 5th. The following teachers for the Hannaford School have signed up: Joseph S. Johnson, superintendent; Mrs. C. Anderson, seventh and eighth grades; Emma B. Nestos, fifth and sixth grades; Margaret E. Brown, third and fourth grades; and Inga M. Olson, primary grades. Misses Olson and Nestos taught here last year; Miss Brown and Mrs. Anderson are strangers to most Hannaford people, but Mrs. Anderson is a sister of A. E. Johnston of this village; Joseph Johnson taught last year at Anamoose, and is well known here being a son of Mr. and Mrs. Halvor C. Johnson, and has lived most of his life on his parents' farm southeast of town. Another high school teacher remains to be secured.
