

# WRESTLING MATCH

The wrestling match held in Hannaford Saturday evening between Jack Richardson of this village and Jack Hanson of Rogers, did not go the scheduled three falls, owing to the fact that Richardson was out of training, and the pace he set was too fast to be maintained throughout the time required to complete three falls. Richardson won the first fall in fifteen minutes of most grueling work and several times during the second round had his opponent within a fraction of an inch of being pinned to the mat, but he was able to slip out of the hold each time and Richardson finally gave the second down to his opponent.

The contest was a closely contested one, Mr. Hanson putting up a strong fight. Richardson perhaps outweighed Hanson by a few pounds but Hanson had the advantage of being in condition and in training. The contest was awarded to Richardson on points.
