

David L. Emery of Twin Falls, Minn., who has been in the city for a few days, was summoned to New Rockford Friday by the death of his brother. The accident occurred at Hamburg where Mr. Emery was engaged as a carpenter in the new school house being erected there. In some manner the floor fell through to the basement and one of the walls collapsed. A flying piece of timber struck Mr. Emery on the head, inflicting injuries from which he died within an hour. His brother will return to Hannaford after having taken the remains for interment to the family home in Minnesota.
