

George Koboll, aged 26 years, passed away at a Fargo hospital recently, the cause being heart trouble, from which he had been suffering for some time. He is an Austrian and has worked for Walter Hemmingson and John Goplen and other farmers in the vicinity of Hannaford. He has a brother in Hannaford and a brother in Moosejaw. He had been taken to Fargo with the hope of saving his life, but the shock of the trip proved too much and he died within an hour after being placed in the hospital.
