

The Enterprise is in receipt of a letter from Paul Fritsvold, formerly in the employ of Claus Jackson, now manager of the Newry, Wis., Farmers Alliance. Mr. Fritsvold says that the weather in that part of Wisconsin has been cold and rainy all summer, and on October 23rd, they had a regular blizzard and the weather was turning colder. Evidently winter is starting early in other places than in North Dakota. Mr. Fritsvold sends greeting to friends in Hannaford.
