

The citizens of Hannaford tendered a reception to the teachers of the public school on last Monday evening in Jackson's Hall. In keeping with the spirit of the times it had been decorated with bunting and flags. Posters announcing the issue of the Second Liberty Loan were also in evidence. An excellent program was rendered. Mr. Jones, president of the board, gave the address of welcome and the response was given by Mr. Rice, principal of the schools. Short addresses were also given by Rev. Thoreson and Rev. Wilson. Miss Wehrs of Cooperstown, and who is no stranger to Hannaford audiences, gave several readings in her usual inimitable style. The musical numbers were enjoyed by every one. There were vocal solos by Mr. Williams of St. Paul, a piano solo by Miss Langford, a duet by Misses Langford and Westley, a piano solo by Myrtle Vestley and one by Ione Johnson, and a vocal solo by Miss Anna Lunde. After the program everyone proceeded to get acquainted. In the receiving line were the teachers, the members and officers of the school board. At the close of the evening an appetizing lunch was served. The members of the different committees who had the affair in charge are to be congratulated on the success of the evening.
