

DOINGS IN OUR SCHOOL

The Hon. Smith Stimmel gave an interesting talk to the grades about the Abraham Lincoln Guards, an organization of which he himself was the originator. It now has a membership of 650 boys and girls in Fargo. Its purpose is to study the life and character of Abraham Lincoln and to live up to his ideals. Mr. Smith Stimmel also gave a talk to the High School pupils about his visit to Norway last summer. He was one of the committee which presented a bust of Abraham Lincoln to the Kingdom of Norway on the hundredth anniversary of Norway's freedom. An especially interesting feature of this talk was his description of the Land of the Midnight Sun. The pupils enjoyed both of these talks and especially did they profit by the talk given in the evening at the Opera House on Reminiscences of Abraham Lincoln.

The Basket Social last Wednesday evening was one of the most successful of its kind ever held in Hannaford. Before the sale of the baskets was begun a short program was given by the Literary Society. The total sum of money taken in was \$70.75. This will pay the balance on the encyclopedias and leave a surplus in the treasury.

The Adelphi Literary Society will give its regular program on Friday afternoon in the High School room.
