

Sentinel-Courier: Dr. M. D. Westley has received notice of his appointment as First Lieutenant in the Medical Reserve Corps, U. S. A., and expects to be called into the service in a few weeks. During the doctor's absence, Mrs. Westley and children will make their home at LaMoure. We congratulate Dr. Westley on his appointment and know that he will prove a valuable addition to the reserve corps. Cooperstown is doing her share toward furnishing physicians for the army, Dr. Westley being the second from our city to respond to the call of the colors. Dr. Brimi is at Ft. Riley, Kansas.
