

Mr. and Mrs. A. Zimkoski and daughter left Thursday for their future home at Granite Falls, Minn., where Mr. Zimkoski will take up his duties as agent for the Great Northern. During his period of service as agent in this village Mr. Zimkoski has won a host of friends both for himself and the company he represented by his unfailing courtesy and willingness to accommodate one and all who had dealings with him. The many friends of this esteemable family are sorry to see them leave but wish them success in their new home.
