

Word was received here yesterday that D. N. Anderson, of Dazey, had died on Sunday, March 9th, at his home in that village, after long suffering from diabetes. Mr. Anderson was well known by many in this community on account of his excellent work as a painter and decorator, and he was well liked by all because of his cheerful and sunny disposition. The decorations in many of the churches and other buildings in this and Barnes counties will long stand as a monument to his artistic handicraft. Funeral services will be held to-morrow, Wednesday, at 2:00, in St. Olaf church at Walum and interment will be made in that cemetery.
