

George Bjor returned to Hannaford last week and has resumed his old job as manager of Nordeng & Alm's barber shop. Mr. Bjor was in France exactly one year, arriving there on May 19th, 1918, and leaving there on May 19, 1919. He was in the signal corps so he did not do any actual fighting with the Huns, but was in the thick of most of the fighting in many of the drives put on by the Americans.
