Who Should Have Soldier's Last Kiss
Now, Sammie, I want to tell you something perhaps you never knew
Don't think a wife is the whole thing in life
When you've got a mother so true,
If I were out on the sea, and had wife and mother with me,
If the ship would sink which do you think
I'd take in the life-boat with me?
I've studied the question over, a thousand times or more,
And only one mother is all you have,
But you can get wives by the score.
A mother will fondle and kiss you, from cradle to the grave,
But oftentimes your wife will miss you
So long as you are her slave.
A wife may tell you she loves you, and swear she will always be true,
But if you return with a wing off, She'll find another with two.
So, Sammie, give the last kiss to mother,
When you go to lick Kaiser Bill,
And on your return, if you're crippled for life,
She'll be your mother still.

County Rural School Notes

All but fifteen of our rural schools have closed for the summer vacation, therefore we will not have very many school notes to report during the coming weeks. We have urged the children to continue their War Ser-

vice activities during the summer months, under the direction of some one in the community who is interested in the children's work. A great number of schools will continue their Red Cross work, War Savings Service and Boys' and Girls' Club Work.

The Eighth Grade completion examination will be given at Binford, Sutton, Hannaford and Cooperstown on Thursday and Friday, June 27th and 28th. All pupils planning to take the examination must write at one of these four places designated. The Eighth Grade Commencement will be held the first week in July. Definite arrangements will be announced next week.

If there are any pupils who have not received their instructions for their club work, please write to the Superintendent's office and it will be sent to you.

June 28th is War Savings Pledge Day, and during the week beginning June 24th, a series of meetings will be held in all school communities of the county. The schedule of meetings will be announced next week. Loyalty teams will be organized and the meetings will be conducted similar to the ones held in the interests of the Third Liberty Loan. Cards announcing the time and place of these meetings will be sent to each family in the community where the meetings are being held. We urge your attendance and co-operation at these meetings.
