

County Rural School Notes

We now have twenty-nine Junior Red Cross School Auxiliaries.

Again we urge the schools to organize as quickly as possible. The Binford schools have a novel way of raising the amount necessary to complete the organization of their school auxiliary. They will have a Tag Day and every citizen will be tagged and asked to pay ten cents for the privilege of wearing a Junior Red Cross Tag. Other schools are raising part of the money received from Basket Socials:
