
Sentinel Courier: Lee Cowell was up from Valley City on Thursday of last week and closed the deal whereby he becomes owner of Erik Erickson's 400-acre farm on the Sheyenne river. This farm sold for \$60 an acre, the consideration being \$24,000, Mr. Erickson taking a 480-acre farm in McLean county in on the deal. Mr. Cowell's son, Vaughn, and wife, will move onto the farm immediately, and we are glad to welcome them as citizens of Griggs county.
