Hannaford School Notes.

Mr. Curtis and Kenneth and Mrs. Jones and Richard attended the Washington program given by the Intermediate room Thursday afternoon.

The following pupils in the third and fourth grades had perfect spelling for the week: Erick Antonson, Marie Hareland, Bernhard Judge, Frederick Knudsen, Ole Troseth and Helen Richardson.

A Junior Red Cross has been organized at the school. Nearly every pupil in the school joined as a member up Thursday. The organization

will be permanent and the work will consist in working together with the Red Cross. In his proclamation to the children of the schools, President Wilson told the children to think of their schools as centers of their lives; that they should want to serve the communities in which they live; that they should be governed by high ideals; and that they ought to reach out through service and study to the larger surrounding world. The children of the school responded nobly and we hope that they will continue to maintain a burning interest in their Junior Red Cross.

The School Committee connected with the Hannaford Branch of the Red Cross consists of the following: Chairman, Miss Houghton; Treasurer, Miss Clara Peterson, and Miss Lund.

Eighth Grade State Examinations for 1918 will be offered twice this year. The first examination will be held on the last Thursday of February and the first Friday of March. Examinations for the Hannaford Public School and the Rural Schools in its vicinity will be held in the Grammar room on these dates.

The examinations in the several subjects will take place in the following order:

First Day

Arithmetic, A. M.; Civics, P. M.
Physiology, A. M.; Spelling, P. M.

Second Day

Geography, A. M.; Grammar, P. M.
Reading, A. M.; History, P. M.

State High School examinations will also be given in half-unit subjects. Semester examinations for the High School will begin on Wednesday and close on Friday.
