

The Karnak News

Born to Mr. and Mrs. G. W. Coen
Dec. 10, a son.

Mrs. Benignus returned from her
visit to Valley City last week.

Reynard Kinn made a business
trip to Hannaford Friday.

Howard Rising and John Wicks
did some butchering out at Daleys'
Friday.

Mrs J. J. Hogness and daughter,
Ielen, arrived home from Valley
City the latter part of last week.

Mr. and Mrs. Doty were with us
Sunday. We appreciate their ser-
mons and also the thought of hav-
ing a place for our services.

The sale was very well attended
considering weather, etc. We wish
to thank all who took part and do-
nated to our sale.

Preparations are being made for
a Christmas program. We hope
everyone will bear with us and help
us as time is short and our supplies
were so slow in coming, but if all
come and show the real Christmas
spirit we will all enjoy it.
