There are a goodly number of members in the Red Cross who have failed to renew their memberships and as this important work must be kept up as well in times of peace as in war all those who have not renewed their memberships should arrange to do so at once. It is desired to keep up the membership of the Walum Branch to a maximum and in order to do so the help of all our citizens will be needed. Renew your to-day and help the cause of humanity.

Do your Christmas shopping early and make the Farmers Co-operative Mercantile Co. your shopping headquarters. See their ad in this issue.
