

Julius Stevens

Julius Stevens, of the firm of Stevens and Eger, hardware merchants, is a native of Norway, born 1855. He came to America in 1870, and completed the education which was begun in Norway. Coming to Dakota from southern Minnesota, in the spring of 1879, he did business in Valley City for three years. In 1883 he began business in Cooperstown. The firm has a large stock of goods and is doing a fine business.
