

Hi Thare Old Settler, Did You Ever See an Ox Barbaqued?

That is what is going to happen at the Old Settlers Celebration and Pick-nick on the fair grounds at Cooperstown, June 8th, 1906.

Well you can bet a big red apple that I will be thare and get a slice. But I say old man you have got to join the Association before June 6th or pay 35¢ for a free slice.

I say have you seen one of these nice little 5 barrel water tanks? Well if not you can see one at the pick-nick full of free ice-cold lemonade, (Not Circus Lemonade.) Talk about fun it would take more than a 5 barrel to hold that.
