

to be given away at the dance.

While driving along the state road from the lake towards town late Friday night, a car driven by Aneta parties tipped off the high grade north of Gilbertson's schoolhouse, with the result that one young man, Henry Almaas, had both bones in his left leg broken between the ankle and knee. He was brought into town and Dr. Truscott set the broken member, after which he was taken to the home of Albert Erlandson to recuperate.
