

Class of Twelve Will Graduate From Binford High Next Week

The list of the 1923 graduates of the Binford High School has been announced. Twelve young folks will receive their diplomas, which is the largest class that has graduated from this school. Five boys and seven girls make up the list of graduates.

The Baccalaureate services will be held in the Trinity Lutheran church, on Sunday evening, May 27th at 8 o'clock. Rev. E. C. Tolksen, of Aneta, will deliver the sermon. The class motto is "Out of the Bay and Into the Ocean." The class colors are green and white and the red rose has been chosen as the class flower.

26 MILES OF STATE ROAD

LET IN NELSON COUNTY

Pekin Budget: Mr. and Mrs. J. O. Johnson, A. L. Gulbro, J. J. Elsaas, C. H. Morken, O. S. Quam, T. P. Bye, John Danielson, G. O. Erickson, A. M. Bergstrom and B. A. Anderson were of the many who attended the Commissioners meeting Wednesday when the contracts for the State road past Pekin was to be let. Bergen Community Farmers club was also well represented. Arguments were presented by representatives from Michigan, McVile and Aneta in opposition to this road, but the county dads considered it as a benefit to the county as a whole, and let the entire proposition. Details on this we have not, nor how soon the work will be started, but the grading will be finished this fall. The vote of the county commissioners were four for and one against on the project from Lakota to Pekin, Bakke of McVile voting against, and three to two on the project from Pekin to the Griggs county line, Bakke of McVile and Solberg of Ora township voting against. We feel for the commissioners who stood for this proposition, as they will come in for a lot of unearned criticism, but as they have simply done their duty to their county and state, they will also be fully vindicated in due course of time.
