

C. C. Nash.

The reception given for the new teachers of the local school at the lodge rooms last Friday evening, proved to be a very enjoyable event. Dr. E. F. Ringlee acted as chairman of the evening. Mr. Greenland, as president of the school board, gave a welcome talk and introduced the teachers, who in turn responded and acknowledged the introductions. Other numbers on the program were songs rendered by the school pupils, an interesting talk by L. P. Larson, and a well recited poem given by Sidney Bakke. At the conclusion of the program refreshments were served, and a general social time indulged in.
