The Griggs County Bankers association was organized at Coopers-town Saturday by the election of Oscar Greenland, Binford, president; R. L. Jones, Hannaford, vice president; and T. A. Marquardt, Coopers-town, secretary-treasurer. The object of the association is the development of Griggs county and especially the securing of sufficient funds to finance the farmers until another crop can be harvested. All banks of the county, with a single exception, were represented and all agreed upon the necessity of concerted action.
