

Mrs. Lewis are his nephew and niece.

Esther Kruschwitz, 12 year old daughter of E. Kruschwitz, living southeast of town, was stunned by a lightning bolt in the violent electric storm Tuesday, and was severely burned. Mrs. Kruschwitz and son, Harry and Miss Esther were returning to the house from the barn. As the girl stepped from the barn door the lightning struck, knocking her to the ground. Harry was struck by a flying splinter which inflicted a slight cut on one cheek. Esther was assisted into the house and all possible aid given her. It was found her right side was badly burned and that a portion of her hair was singed. Though severely shocked by the experience, Miss Esther is recovering quickly.
