Sutton Reporter: J. B. McWethy and A. J. Melgard were at Rogers Monday evening to attend a meeting of the Barnes county home players! base ball league. The object of their visit was to make arrangements for having the Sutton team play in this league the present season. It is understood by all who play in this league that no salaried men are to be used, the players to be chosen in the communities from which the various teams hail. This home players idea was tried out for the first time last year, with considerable success.
