The Detroit News has the following item which tells of the advancement of an old chum of James Loney. The two worked together for number of years in Michigan after which Mr. Loney came here: 'Cheboygan furnishes the new major for the Third regiment, Michigan National Guard. He is John B. Butcher, former captain of Co. K. and one of the best known officers in the military service of the state. He held the rank of captain in Co. H, Thirty-third Michigan volunteers, during the Spanish war and served in the campaign before Santiago in 1898.'

Read Major & Sons' ad. It has been corrected and now tells which fanning mill to use in cleaning your seed. Look it up.
