The committee recommend that a precinct committee of three be elected. Dated at Cooperstown, Sept. 29, 1884. IVER JACOBSON, Chairman.

THEO. E. KERR, Secretary.

The legislative caucus at Cooperstown Wednesday elected six delegates for Julius Stevens, as a member of the house. The Griggs county vote will probably go, in legislative matters, as solid as a bullet; and as the county is as strenuous in seeking recognition as it is in acting in a cool, conservative, yet independent manner, it is pretty well assured that Mr. Stevens will be one of the nominees for the legislature. He, however, wants no nomination obtained in the strenuous in seeking recognition as it is in acting in a cool, conservative, yet independent manner, it is pretty well assured that Mr. Stevens will be one of the nominees for the legislature. the nominees for the legislature. He, however, wants no nomination obtained by fraud or trickery at the expense of others.

In our last issue we published a telegram from Valley City showing that the Simons-Hills party, (after recognizing, for the sake of preventing a bolt, the Benson committee, which has been as extinct as the Dodo for years, and after supmitting to the exclusion of the sake of preventing to the exclusion of t

and after submitting to the exclusion of proxies, of which they controlled an overwhelming majority,) had secured the control of the legislative convention by a vote of 14 to 10, and that a bolt by Benson and Richardson was impossible.

It seems that Richardson did bolt, in spite of the unfavorable circumstances; and that he expects Hon. Alexander McKenzie, of Bismarck, to help him through the convention. Four to one has been offered that his delegation will be admitted over the Van Wormer delegation. That is, four to one has been offered that Alex McKenzie is a political thief, and that he will convert the majority of delegates to Bismarck to his office of Final Proof.—Land Office at Fargo, Notice is hereby given that the following named secure final proof in support of his claim and secure final proof in suppor to be held in the city of Bismarck on the and that he expects Hon. A DEMOCRATIC VIEW.

The charge regarding Mr. Blaine referes entirely to everts said to have oceurred in the year 1851, thirty-three years ago. \* \* Mr. Blaine is not to be condemned as a candidate, even supposiug that the worst state of facts-which he earnestly denies-should be established, not only because be repaired the wrong, but because his life has ever since been all that could be required.
